

PSGSC Resource Listing Protocol

The Parkinson's Support Group of Sonoma County shares resources to support those with Parkinson's and their caregivers. If you would like to be listed as a resource, we ask you to familiarize yourself with our group and the common goals we thrive to accomplish to better help people in our PD community lead a quality life.

We ask that you complete the following action steps:

- **Attend two of our monthly meetings** which are held on the second Saturday of each month at the Christ Church United Methodist, 1717 Yulupa Avenue in Santa Rosa at 1:00 PM.
- **Provide two letters of recommendation and two people we can contact as a reference.** You may email or bring the letters of recommendations and referrals to a meeting.
